

Tell Us How We Can Help

MAP are here to provide help and support to the voluntary and community sector throughout Mid Suffolk. In order to do that effectively, we need to know what the issues and needs are amongst those we are supporting.

Do you have problems finding suitable trustees? Are you having difficulty finding appropriate and affordable accommodation or meeting space? Maybe funding is a problem? Or perhaps there is a certain training need within your organisation?

Whatever it is, please contact us. We will do our best to help, either directly or by pointing you in the direction of an appropriate person.
